

SV Engineering & Consultancy Services

Turnkey Project Design, Management & Execution Solutions Under One Roof

Perfection Through Expertise.....!

Civil • Architectural • Mechanical • Electrical • Instrumentation • Process • Piping
ISO 9001- 2015 certified company

360° Solution For Design And Execution Of Projects Under One Roof

**“National Entrepreneurship Award-2016
Winner Company from government of India”**

TURNKEY PROJECT DESIGN CONSULTANCY PROJECT MANAGEMENT & EXECUTION WITH MATERIAL

SV Engineering and Consultancy Services is National Entrepreneurship award winner company from Govt. of India. It is multi-disciplinary engineering, consulting and technical services to a broad range of clients. Having an in-house team of highly trained project design , management professionals, architects, structural engineers, electrical, chemical & mechanical engineers with multi disciplinary skills and a wide spectrum of experience has made the organization capable of handling various complex projects.

SV's clients get the 'best of both worlds' - knowledge of Indian and International design/construction standards & practices.

We are ISO9001- 2015 Certified company for projects design execution & management, Process engineering and consulting services for projects in EPC and EPCM of technology-intensive projects in API Pharmaceutical, Core chemical, Food Processing, Biotech industries, Hospitals, large scale production facilities.

AWARDS & RECOGNITIONS

"Silicon India Award 2017"

"National Entrepreneurship Award-2016
from Government of India"

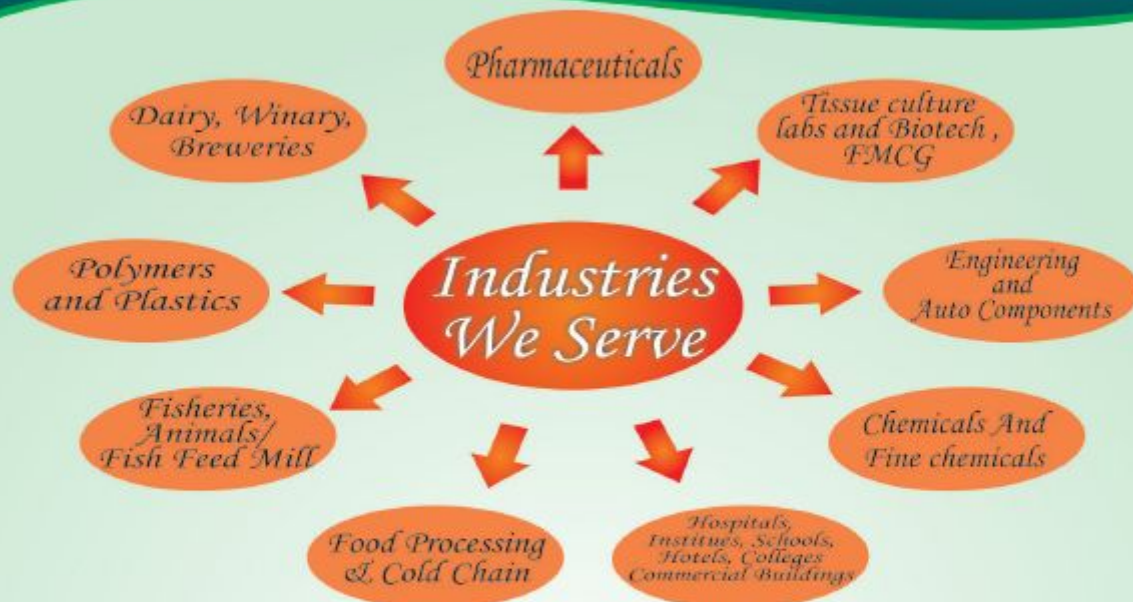

"Global Woman
Achiever Award-2017 "

"Rajiv Gandhi Excellence Award-2017 "

Scope of Services

Concept & Basic Engineering

- ✓ Plot & Contour Planning
- ✓ Plant Layout
- ✓ Preliminary Architectural Drawings
- ✓ HVAC Concepts
- ✓ Preliminary Utility Specifications
- ✓ Preliminary Project Cost Estimation &
- ✓ Project Scheduling
- ✓ Environmental & Safety Engineering
- ✓ Future Expansion Possibilities

Detail Engineering

- ✓ Architectural, Civil and Structural Engineering
- ✓ Process Engineering
- ✓ Selection of the equipments
- ✓ Mechanical Engineering
- ✓ Piping Engineering
- ✓ Electrical Engineering
- ✓ HVAC & Instrumentation
- ✓ Effluent Treatment System Design
- ✓ Fire Fighting Systems

Construction management

- ✓ Planning of field activities
- ✓ Scheduling, monitoring and control of field activities
- ✓ Supervision and co-ordination of and between individual contract teams
- ✓ Checking and certification of bills
- ✓ Control and monitoring of SHE
- ✓ Ensuring availability of all design information

HVAC & Electrical

- ✓ Design of efficient HVAC Systems
- ✓ Selection of HVAC Equipment
- ✓ Air Filtration system Details
- ✓ Ventilation Controls & Air Distribution
- ✓ Drawing Details & Commissioning
- ✓ Electrical Classification of layout & Detail Specification
- ✓ BOQ s & Drawings

Commissioning, Start up & Validation

- ✓ Monitoring the quality of material arriving at
- ✓ Ensuring availability of all design information
- ✓ Carrying out site performance tests for mechanical installations
- ✓ Recording and updating all test results, reports and certificates and submit to client
- ✓ Ensuring compilation of As-Built documentation

Turnkey Projects

- ✓ Design Consultancy
- ✓ Project Planning - scheduling, monitoring & execution
- ✓ General factory & non factory layouts
- ✓ Supply of Machineries ,HVAC, clean rooms
- ✓ Designing of utilities & services system
- ✓ Civil , Mechanical , Piping & Electrical execution

Procurement Assistance & Installation Support

- ✓ Preparation of detailed specifications and data sheets
- ✓ Installation of various systems
- ✓ Techno-commercial evaluation
- ✓ Drawings & Documentation
- ✓ Expediting activities ✓ Factory inspection

Own Clean Room Puf Panels & Doors Manufacturing Facility

360° Solution Under One Roof For Design And Execution With Material Supply

- Civil, Mechanical, Electrical, HVAC, Instrumentation, Piping
- Epoxy work (Flooring, Silica coving)
- Electrical work
- Plumbing
- Aluminum partitions, windows, doors
- Puf and clean room partitions
- Aerocon partition
- Alco paneling and elevation work
- Fabrication work, Shed, Piping, Structure, Gates, Shutters, SS & GI Railings
- Paver blocks, Landscaping, gardening, Roads
- PEB sheds
- Fire Hydrant
- False ceiling, Furniture and Interior work
- Painting work
